Items Search

- Search an item in a catalog by name
- Go to catalog, type the requested search word in the search field on top, click on the search icon on the left and view the results

Purchases

- You can now view your customers purchases history
- Go to Dashboard → Purchases, and see all the purchases made by your customers in chronological order
- You can filter the results using Item code, Branch ID, Pos ID. Or search for a specific purchase according to those details.

The screenshot displays a search interface for purchases. It includes several input fields for filtering: 'Items limit for page' (set to 10), 'Item Code', 'Branch ID', 'Pos ID', and 'Membership Key'. A 'Search' button is located below these fields. Below the search area is a table with the following data:

ID	User	Total Sum	Branch ID	Created on

Purchases | User Purchased Items

- To view purchases made by a specific user:
 - Search for the customer (Dashboard → Find Customers) and enter his profile
 - The list of the customer's last purchases will appear in the bottom of the page
 - It is also possible to click the User's profile button on the purchase details page (on the right upper corner)

The screenshot displays a web application interface. On the left is a sidebar menu with the following items: Dashboard, Application Stats, Find Customers (highlighted in red), Filter Customers, Users Actions, Export Users, Employees Stats, Application Feedbacks, Users Short ID's, Custom UserKeys, Submitted Receipts, and Purchases. The main content area is split into two panels. The right panel, titled 'User Information', shows a user profile for 'John Doe' with a joining date of 11.12.2014 13:34:18 and email John@gmail.com. It includes 'refresh' and 'update' buttons, and two red action buttons: 'Disconnect user (remote logout)' and 'Delete Membership'. Below this is a dropdown menu for 'Perform an action on the results'. The left panel shows 'Purchase Details' for a specific transaction. A purple oval highlights a 'User's profile' button in the top right corner of this panel. Below the purchase details is a table for 'Items Purchased'.
